TOY WONDERS' TOY DIRECTORY

Action Toys Subcategory:

The action toys category encompasses many different types of toys. These toys are not only powered by a child's imagination, but a great majority of these action toys are also powered by batteries. For your convenience, the number of batteries and type are stated in the description, and whether or not batteries are included. Click on one of the subcategories below to see more.

Blister Carded Toys & Hang-up Toys Subcategory:

Toy Wonders is a toy importer and a toy wholesale distributor of blister carded toys too. A great majority of impulse buy toys are packaged either on a blister card or in a poly bag with a header. Most of these types of toys find their way onto peg hooks, spinner racks, or in store bins. We have broken this category down into many subcategories. Dolls & Play sets Subcategories:

Toy Wonders is a toy importer and toy wholesaler of children's toys. Dolls have been a mainstay in the toy industry. If we look back in history, dolls go way, way back --even before recorded history. Because of the longevity and nurturing appeal, every toy distributor and retailer will have some representation here. However, since this category is very focused on only one gender, it is vital that you focus your attention here and understand your customer base well; after all, you are only targeting half the children's population with this category. Knowing the answers to these questions will make it easier to select the items for his category:

1. In terms of race, what type of people do you service?
2. What type of space can you allot towards this category (e.g. wall, shelf, or counter)?
3. What price points do you need to be at?

Educational Toys & Musical Toys Subcategories:

Parents of all types have always placed extra value on toys that teach. Almost all the educational toys that we market are geared towards adults and children over the age of three. Many ambitious parents push the learning envelope with their children. For those toys geared toward infants and toddlers, we've put the toy's specific age recommendations in their descriptions. For marketability and safety reasons, these age recommendations should be strictly followed.

Not only does ball playing build hand eye coordination, dexterity, and team spirit (at times), these balls promotes good old fashion exercise. Click on a subcategory to see more.

RC2 ERTL JoyRide - Blues Brothers Police Car (1974, 1:18, Black & White) 33855

[Our Products: Vehicle Scales](#) > [1:18 Scale](#)

Item#: 33855

33855 JOY RIDE ERTL American Muscle - Blues Brothers Bluesmobile 1974 Mt. Prospect Police Dodge Monaco Sedan. 1:18 scale diecast model car. 12"Lx 3.5"Wx 3.5"H diecast police car with opening doors/hood. Joy Ride. RC2 Brands. Individually packed in a window box. 33855 in BLACK and WHITE colors.

The 1980 movie The Blues Brothers is about two "brothers," Jake and Elwood Blues, who put their band back together to raise money to save their old orphanage. They get in to all sorts of trouble, usually involving the Blues Brothers' car, the powerful and somewhat magical Bluesmobile. The movie Bluesmobile was a 1974 Dodge Monaco Sedan and was painted black & white to resemble a former police car. The used car look was enhanced with distressed police car markings and graphics. The Monaco dominated the USA police car market during the 70's. There is no truth to the rumor that the cars used in the movie were originally Chicago Police cars. In the movie Elwood says, "I picked it up at the Mount Prospect City Police auction last spring. It's an old Mount Prospect Police Car." Most of the cars used in the movie were probably civilian California Monaco's "dressed" as old police units. The movie car had a gold interior that was typical for cop cars in California's hot climate. Illinois units usually came with green or black interiors.

If you have seen the movie, you may wonder how any car could survive all those stunts. There is documentation for thirteen movie Bluesmobiles used in shooting all these scenes. Few have survived.

JoyRides car is 1:18 scale, with four opening doors, opening trunk and hood, a
