## TOY WONDERS' TOY DIRECTORY

### Action Toys Subcategory:

The action toys category encompasses many different types of toys. These toys are not only powered by a child's imagination, but a great majority of these action toys are also powered by batteries. For your convenience, the number of batteries and type are stated in the description, and whether or not batteries are included. Click on one of the subcategories below to see more.

### Blister Carded Toys & Hang-up Toys Subcategory:

Toy Wonders is a toy importer and a toy wholesale distributor of blister carded toys too. A great majority of impulse buy toys are packaged either on a blister card or in a poly bag with a header. Most of these types of toys find their way onto peg hooks, spinner racks, or in store bins. We have broken this category down into many subcategories. Click on the appropriate subcategory to see more.

## Dolls & Play sets Subcategories:

Toy Wonders is a toy importer and toy wholesaler of children's toys. Dolls have been a mainstay in the toy industry. If we look back in history, dolls go way, way back --even before recorded history. Because of the longevity and nurturing appeal, every toy distributor and retailer will have some representation here. However, since this category is very focused on only one gender, it is vital that you focus your attention here and understand your customer base well; after all, you are only targeting half the children's population with this category. Knowing the answers to these questions will make it easier to select the items for his category:

1. In terms of race, what type of people do you service?
2. What type of space can you allot towards this category (e.g. wall, shelf, or counter)?
3. What price points do you need to be at?

## Educational Toys & Musical Toys Subcategories:

Parents of all types have always placed extra value on toys that teach. Almost all the educational toys that we market are geared towards adults and children over the age of three. Many ambitious parents push the learning envelope with their children. For those toys geared toward infants and toddlers, we've put the toy's specific age recommendations in their descriptions. For marketability and safety reasons, these age recommendations should be strictly followed.

## Sports Subcategories:

Toy Wonders is not just in the toy wholesale business but offers at wholesale a variety of Sports balls and sport play sets. Not only does ball playing build hand eye coordination, dexterity, and team spirit (at times), these balls promotes good old fashion exercise. Click on a subcategory to see more.

## RC2 ERTL Elite - Pontiac GTO Judge Hard Top (1969, 1:18, Red) 39301

Our Products: [View All Vehicles](#)

Item#: 39301R

39301R ERTL Elite American Muscle - 1969 Pontiac GTO Judge Hard Top. 1:18 scale diecast collectible. Elite Edition. White interior. Chrome five-spoke wheels. Also has hood tach and hidden headlights. RC2 ref. no. 39301 in Matador RED color. Individually packed in a window box. GM is a trademark of the General Motors Corporation.

The American Muscle Elite Edition is for the discriminating buyer who appreciates the finer details. Limited production runs and our optimum level of detail make these showpieces truly elite. Each die-cast is serialized and is mounted on a handsome base. Updated packaging enhances the true features and craftsmanship.

Matador Red with white interior, chrome five-spoke wheels. Also has hood tach and hidden headlights. Chase car seats will be painted Matador Red, with regular white seats.

In 1956 a man named John Z. De-Lorean joined the Pontiac team; he became the chief of engineering in 1961. He decided to build himself a personal car. He used the Tempest body and dropped a 326 in it and used a Hurst shifter. This wound up becoming very popular--so Pontiac decided to make it a production car in 1964. They called it the Pontiac GTO.

The GTO was an inexpensive car with a big block engine that put out a lot of horse power. Car enthusiasts went wild. In response, other car manufacturers had to compete and therefore began to produce musclecars. 1969 was the first year for "The Judge", a popular \$332 option named after a skit on the "Laugh-In" TV program. Besides a wing, wheel, stripe and decal package, buyers also were treated to a Ram Air III 400 along with a Hurst controlled three speed manual transmission and a heavy duty suspension.
