## TOY WONDERS' TOY DIRECTORY

### Action Toys Subcategory:

The action toys category encompasses many different types of toys. These toys are not only powered by a child's imagination, but a great majority of these action toys are also powered by batteries. For your convenience, the number of batteries and type are stated in the description, and whether or not batteries are included. Click on one of the subcategories below to see more.

### Blister Carded Toys & Hang-up Toys Subcategory:

Toy Wonders is a toy importer and a toy wholesale distributor of blister carded toys too. A great majority of impulse buy toys are packaged either on a blister card or in a poly bag with a header. Most of these types of toys find their way onto peg hooks, spinner racks, or in store bins. We have broken this category down into many subcategories. Click on the appropriate subcategory to see more.

## Dolls & Play sets Subcategories:

Toy Wonders is a toy importer and toy wholesaler of children's toys. Dolls have been a mainstay in the toy industry. If we look back in history, dolls go way, way back --even before recorded history. Because of the longevity and nurturing appeal, every toy distributor and retailer will have some representation here. However, since this category is very focused on only one gender, it is vital that you focus your attention here and understand your customer base well; after all, you are only targeting half the children's population with this category. Knowing the answers to these questions will make it easier to select the items for his category:

1. In terms of race, what type of people do you service?
2. What type of space can you allot towards this category (e.g. wall, shelf, or counter)?
3. What price points do you need to be at?

## Educational Toys & Musical Toys Subcategories:

Parents of all types have always placed extra value on toys that teach. Almost all the educational toys that we market are geared towards adults and children over the age of three. Many ambitious parents push the learning envelope with their children. For those toys geared toward infants and toddlers, we've put the toy's specific age recommendations in their descriptions. For marketability and safety reasons, these age recommendations should be strictly followed.

## Sports Subcategories:

Toy Wonders is not just in the toy wholesale business but offers at wholesale a variety of Sports balls and sport play sets. Not only does ball playing build hand eye coordination, dexterity, and team spirit (at times), these balls promotes good old fashion exercise. Click on a subcategory to see more.

## Signature Models - Chrysler Imperial (1955, 1:18, Ivory) 18111V

[Our Products: Vehicle Scales](#) > [1:18 Scale](#)

Item#: 18111V

18111V SIGNATURE MODELS 1955 Chrysler Imperial. 1:18 scale diecast model car. This 1955 Imperial is 11.5"Lx 3.75"Wx 3"H. Features steerable front wheels and a highly detailed engine & interior. This 1955 Imperial also features opening doors/hood/trunk and is mounted on a display platform. Manufactured by Signature Models. 18111 in IVORY color. Individually packed in a window box.

In 1955, Chrysler first marketed the Imperial without the Chrysler name under the slogan "the flagship of the forward look". Indeed, the company wanted to keep its new premier marque so distinct that it set aside an assembly just for the Imperial - "a completely separate and distinct line of automobiles." However, the Imperial marque lasted until 1975 although the Imperial name has lived on as a Chrysler model. The new marque paid off in 1955, helping to increase Chrysler's sales after three years of decline and move Chrysler back to second place ahead of Ford. Indeed, Imperial sales more than doubled in 1955. The two-door Newport model had a 130-inch wheelbase and Chrysler's hemi-head, 331.1 cubic inch V-8 that could produce 250 horsepower.

Case pack: 6 pcs.

Price quoted is for 1 pcs.
